Deep Survival Who Lives Who

Deep Survival: Who Lives, Who Dies, and Why

From Deep Survival: Who Lives, Who Dies, and Why "As a journalist, I've been writing about accidents for more than thirty years In the last 15 or so years, I've concentrated on accidents in outdoor recreation, in an effort to understand who lives, who dies, and why To my surprise, I found an eerie uniformity in the way people survive

Chapter 2: Psychology of Survival - Who Survives

Deep Survival - Who Lives, Who Dies and Why - In his book with the same title, Laurence Gonzales (2005) studied accidents to determine why those who survived, survive and those who die, die Although there is some denial for survivors, they have acceptance of their reality Denial is a defensive mechanism to protect the body from harm
