An Outline of British History - Steven L. Rosen

English history, there was no monarch England without a King: The Commonwealth (1649-1660) England now had no king It was ruled by Cromwell as a commonwealth rather than a kingdom There were many different groups (religious and political) competing for power, and so the army generals under Cromwell took control England

Get help and support EXAMPLE HISTORY RESPONSES

The theatre was politically important for Charles II Before the Restoration, Cromwell banned the theatre because he thought it was immoral and unchristian When Charles brought the theatre back, it showed the public that the new government was going to allow people more freedom than they were given under the Commonwealth
